**Subject:** Letter Carriers Food Drive

Chris,

Thanks so much for the great PSA'S you all did the week prior to Letter Carriers Food Drive. It definitely made a huge difference in the response from the community. The poundage went way over the top this year and I have to believe Clear Channel played a great big part in that!!

Again, thanks for agreeing to partner with the East Texas Food Bank in our largest food drive of the year.

Sincerely,  
Rosemary McClain  
Director of Resource Development

**The Chamber**  
of Athens, Texas

May 16, 2002

Mr. Steve Joos  
Station Manager  
KNUE 101.5 FM  
3810 Brookside Drive  
Tyler, TX 75701

Dear Mr. Joos:

The 2002 PRCA Stampede is now history and, thanks to you and the other event supporters, it made history as well.

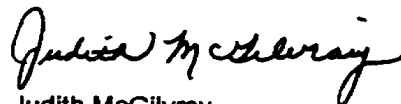

The support provided by our sponsors, financial and in-kind, enabled The Chamber to increase the number of events offered to competing cowboys as well as increase the total added prize money to \$7,000. The domino effect was tremendous. Our event attracted additional rodeo contestants, who in turn, brought their families and friends. As a result, each performance set new records for attendance. The three-day event generated an all-time high \$29,994 in ticket sales. Obviously, this revenue helps The Chamber, but did you realize the impact that increased attendance has on Athens as a whole?

Of the six motel properties in Athens, the three of the largest facilities enjoyed an average 78% occupancy rate for the period April 24 - 27. This was due in part to the increased attendance of out-of-town rodeo fans. These overnight guests not only spent an average of \$39 for their motel room each day, the Texas Department of Economic Development projects that they also spent an average of \$55 each day in our restaurants and stores. Not only does this combined revenue generate important taxes that support our city, it also generates local jobs.

All in all, everyone in Athens benefits from tourism-generating events such as the 2002 PRCA Stampede. Without the support of our sponsors, these events would not be as successful for The Chamber or the community.

Thank you again for your continued support of Athens and The Chamber.

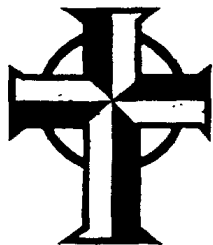

Sincerely,

Judith McGilvray  
2002 Chairman

Darlene Forshage  
President

Dear Mr. Reininger,

We appreciate Clear Channel Communications being Gold Sponsors for the St. Gregory Fun Run again this year. Your continued support helps to make this a successful community event. Our PR contact, Kathleen Maloney, will be in touch with you regarding commercials. We will drop your sponsor t-shirts by your office closer to Race Day. If you require anything else you may contact Kathleen or myself.

Dear Steve & Chuck,

I'm on the board of Big Brothers  
Big Sisters and learned at our  
last meeting how gracious you two  
have been about recording and  
running PSAs for our organization.  
Wow! There's no way to thank  
you enough! My Little Sister has  
even commented on how "cool" it

is to leave the "commercials" on  
the radio!

Please know you are, indeed,  
appreciated!

Most sincerely,

Dear amy-

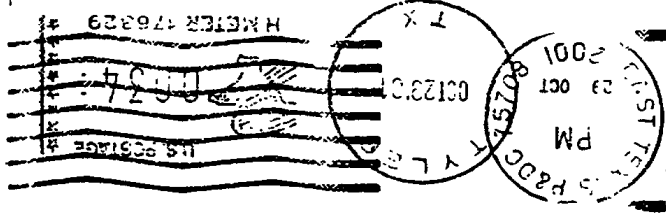

I wanted to take a moment to say  
THANK YOU! You were such an asset to the foundation  
and to the success of the Great strides walk - 17th.  
I truly don't think that the walk could have  
done so well had it not been for you and the  
radio station.

You probably didn't have any idea that that  
first phone call to the Foundation back in March  
would have led to this, but what a huge benefit it  
had in us and hopefully you all. Having Tammy  
@ our walk was - huge. She had such a profound  
impact on all the families, whether they were  
touched by CF or not.

On behalf of the Foundation, Lori, Grace and  
Scott Knight and all those affected by CF - thank  
you again, Thank you for helping to raise CF  
awareness.

3810 Brookside Dr.  
Tyler, TX 75701

Dear Mr. Reininger:

The University of Texas at Tyler Athletic Department would like to express its heartfelt gratitude to you for your very generous gift-in-kind support of \$7,200.00 in radio advertising to the USTA Patriot Tennis Tournament November 3-11, 2001. Your generous contribution greatly enhanced the success of this event.

The community involvement that this tournament experienced helped make it a cutting edge event with top players, excellent facilities and a positive spirit expressed by all those involved. We truly appreciate all that you did to help make this a first class event.

Again, thank you for your participation and generosity. We hope this will be the first of many outstanding events that The University of Texas at Tyler's Athletic program will be sponsoring for the university and with the community.

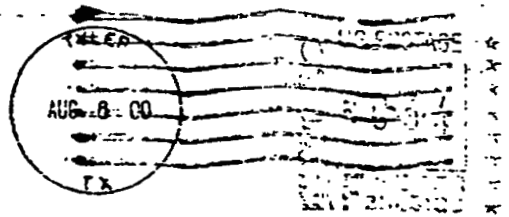

Sincerely,

6/18/01

Dear Jeff Evans,

The second annual Special Olympics Plane Pull was a success. Part of a successful event is Media coverage. Thanks to your station, the event had great coverage again this year.

Special Olympics is very important to me. As a coach, I see the need for our program, and know how much it cost to keep it going. We do not charge the athletes anything, so we buy all uniforms, equipment and pay for all expenses on road trips to competition. My athletes had a great day at the plane pull & they also thank you for your support. More important than the money, is letting Smith County know that Special Olympics is in Tyler & we are growing, and would like to have new athletes. What a better way to do this then radio commercials!!

Thank you again for your support.

Susan Gottschalk  
Event Coordinator

Stations KTYL and KKTU Participated in this event.

October 5, 2001

Clear Channel Communications, Inc.  
3810 Brookside Drive  
Tyler, Texas 75701

Dear JJ & Lisa (Mix107.3):

Not only do you have great music stations right here in New York (106.7 Lite FM & Jammin' 105.1) which I personally listen to, but you have great hearts as well!

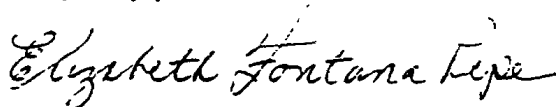

You may not be able to imagine just how badly we needed to see those sweet, innocent greetings you so kindly forwarded to us here at St. Vincent's. Those were the first smiles I saw on the faces of our devastated staff. There were some tears also, (mine included) to see just how touched these small children were by what took place here on September 11<sup>th</sup>.

I want you both to know that the cards have adorned several of our inpatient units, our lobbies and hallways until we could not possibly tape up another. The cards were then separated into piles and sent to the police department, fire department and to a special Victim's Services Unit on Pier 94. This unit received the most tender of cards for this is where they were most needed.

In some small way, it is our combined hope that our families and all of our rescue workers would find comfort from these little children who send their love across the miles. To just say "Thank you" does not seem enough, I know the effort that went into these little packages of love. Please know how appreciated your efforts and those of all the elementary schools that participated are - that the feelings they brought to all that have and will read them in their colorful folders - is priceless!

God Bless You both!

Very truly yours,

Elizabeth Fontana-Pepe  
Development Coordinator

July 19, 2001

Program Director Larry Kent  
Clear Channel Communication  
3801 Brookside Drive  
Tyler, Texas 75701

Dear Program Director Larry Kent:

Well you did it again! The KNUE Summer Blood Drive was a huge success. This year KNUE listeners donated 1100 units of blood in just 10 days, which exceeds last years record by 400 units of blood. Every donation counts. One donation can save up to three patients lives.

The efforts of you and your staff truly saved lives of patients in East Texas hospitals. KNUE allowed Stewart Regional Blood Center to be prepared for major trauma victims, cancer patients, and surgeries. We at Stewart Regional Blood Center cannot thank KNUE enough on how those 10 days changed lives.

On behalf of the patients in East Texas Hospitals we commend KNUE on your continuing impact to Stewart Regional Blood Center and the community. You definitely help save the lives of East Texans.

Please express my sincere thank you to all those involved with the blood drive for truly "Saving Lives".

Sincerely,

A handwritten signature in black ink, appearing to read 'Renay'.

## Radio Station Raises \$56,000 For Charity

A Tyler radio station has raised \$56,212 for the Children's Miracle Network to fund medical services for children receiving treatment at Trinity Mother Frances Health System. The money was raised by pledges received during a recent two-day radiothon aired on MIX 107.3. The response to the MIX 107.3 radio audience was once again very heartwarming, said Robin Pittinger, CMN director at the health system. One hundred percent of the funds raised will stay right here in East Texas to benefit the children of our area. CMN funds purchase equipment used to treat children with life-threatening injuries and illnesses and the system's pediatric Special Needs Clinic. For more information about CMN, call (903) 531-5437.

Clear Channel Communications  
3810 Brookside Drive  
Tyler, Texas 75701

Dear Steve,

Thanks to you and the wonderful team of staff and DJs you have at mix, many children will have a chance for a healthier, happier life. We are so very grateful for the opportunity to again partner with MIX 107.3 to raise funds to help sick and injured children. Thank you so much for your continued support of Children's Miracle Network. I believe that your participation on the Radiothon Friday was key to making the phones ring. Your compassion and dedication to kids was very apparent to everyone listening. It was a great two days for CMN and the children of East Texas. Thank you!

Sincerely, Robin Pittinger

June 23, 2000

Ms. Leah Gorman  
Gulfstar Communications  
3810 Brookside Drive  
Tyler, TX 75701-9420

Dear Ms. Gorman:

The parents, administrative staff of Whitehouse High School, and graduating seniors of the Class of 2000 all wish to convey thanks and appreciation for your support for the Senior Class 2000 Lock-in held at the First Christian Church on Saturday evening, May 27, 2000. The lock-in was a great success, providing our high school seniors with a controlled environment in which to spend the night celebrating with their friends.

In particular, the successfulness can be attributed to the generosity of people and companies such as Gulfstar Communications. Your donation of t-shirts helped stimulate interest in and attendance of the lock-in by young people who might have made a decision to spend the evening in a less safe environment.

Thank you for the time you gave and the efforts you made to ensure the lock-in's success.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ann Cantrell".

March 3, 2000

Mr. Steve Joos  
AM/FM Broadcasting  
3810 Brookside Dr.  
Tyler, Tx 75701

Dear Steve,

As we move into the new year and the new century, I want to thank the people and businesses who continue to be supportive of the Humane Society of Smith County, Inc. and our mission of offering refuge, medical care, nourishment and an opportunity for a second chance for life to unwanted animals in our community; protecting animals from cruelty, neglect, carelessness and ignorance; fostering a public sentiment of humanity, gentleness, and respect towards animals, and encouraging and promoting responsible pet ownership.

As you know, contributions of goods and services to a non-profit, privately owned organization such as ours, is critical to our continued existence. Because of caring, supportive people and businesses like you, the Humane Society of Smith County, Inc. is able to keep it's doors open and to provide many services to the animals and residents of Tyler and Smith County.

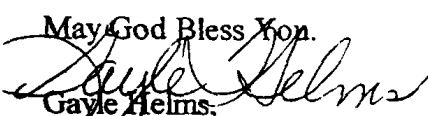

uring 1999, the Humane Society of Smith County's animal shelter received nearly 11,000 dogs and cats through our doors.

This year, we have several ambitious goals - one of which is to construct a spay/neuter room at our animal shelter to perform spaying and neutering of all dogs and cats before they leave our facility. This is one more attempt to stop indiscriminate breeding and production of thousands of unwanted puppies and kittens. We currently provide a no cost spay/neuter program for residents of Smith County who are unable to pay for this service.

We will also begin providing kennel space for the newly created animal control service for Smith County. Work is currently underway to construct the \$50,000 kennel with goods and services provided by the private sector - thus not burdening the tax payers of Smith County. Additionally, we will also be constructing a new adoption kennel at our shelter. This added space will enable us to save many more lives - giving more animals a second chance.

Thank you for your help and support during 1999 and in years past. I look forward to our continued relationship and the possibility of one day having no need for an animal shelter and that every pet owner will be a responsible pet owner.

May God Bless You.

  
Gayle Helms,

Dear John,

Generous sponsors, outstanding volunteers and perfect weather made the 7<sup>th</sup> Annual Special Needs Celebration the best one yet! More than 500 children, families and friends gathered at Mike Carter Field for an afternoon of activities, food and fun.

Thank you so much for taking the time to come out and be a part of the festivities. I was happy that you were able to observe personally what an uplifting event the picnic is for everyone involved. Please express my appreciation to Jonna, Robert and Melissa, as well. Hopefully, it gave them a broader understanding of the Special Needs Clinic and to view one aspect of what we do for our children. We are so fortunate that CMN and our tremendous community support enables us to provide this opportunity for all of our kids and their families. I was also glad to meet Jennifer, and I will look forward to discussing with her and Robin ways in which we might possibly coordinate CMN and Rose Parade activities. We hope that you will join us next year when we do it all again.

Sincerely,

Shirley Gordon, R.N.

Dear Mr. Gaston:

This letter is to express our appreciation for your participation in the auction during the Tyler Museum of Art's Fall Fête, **Reflections of the Little Black Dress**. It was a beautiful and fun evening on the grounds of the Museum. Thanks to your participation, gifts from others like you, and ticket sales, we raised nearly \$20,000.

The friendship and support you give to the Museum over the years is greatly appreciated. Such support helps the Museum continue to bring enriching, inspiring exhibitions to Tyler and the surrounding area.

We hope you will visit often and continue to enjoy what the Museum offers to the community. Currently, there are three wonderful exhibits available for your enjoyment:

*Edward Hopper: The Paris Years*  
*Neighbors: Texas Artists in New Mexico*  
*Luis Jimenez: Recent Works*

With best regards,

Anastasiya, please pass along the following to the right people:

To the staff of Region 56 News - Thank you! Thank you! Thank you! The stories that you have continued to run on the Russian orphan kids in the past week & 1/2 have made a difference in people's lives! We came with 10 wonderful kids and 6 of them have new families who fell in love with them and have already started their adoption processing! We have another 3 families who have requested the information on the kids and are hopeful to adopt them. Because the word was spread throughout the community, we have had people calling also to help other people adopt. Some have called to say they cannot take a child into their home, however, they would like to pay airfare for someone who can. The entire community came together to help those who have no one to help them. God has used you guys to see that these kids find a place in this world! You did a great job! Thank you! Rob & Becky Wangner
